LIFETIME WARRANTY*

Brothers Home Improvement Inc. (hereinafter known as "Brothers") warrants to you, the original purchaser of the Brothers' contract, (hereinafter known as "the warranty holder") a lifetime warranty for manufacturing and installation defects for as long as you own the home where Brothers installed its windows and doors.

Coverage:

This lifetime warranty is for you, our customer, and may not be assigned or transferred and terminates upon the sale of your home where we installed our windows and doors. This warranty is for window and door products manufactured and installed by Brothers. (Brothers sells and installs other window brands as well, please ask your Brothers sales representative for the applicable manufacturer's and installation warranty if Brothers sold and installed other brands in your home).

* For commercial buildings and apartment units, the warranty period shall be for 10 (ten) years following the date of purchase

In the true spirit of customer service. Brothers will provide a lifetime "accidental" glass breakage to the original purchaser until he or she sells the home where we installed our windows and doors. Glass breakage is offered in accordance with the limitations section below and will not apply in cases of civil disorders such as riots, vandalism, etc. Homes on golf courses or rental properties where tenants are abusive are not in the spirit of this offering and Brothers can opt to discontinue breakage warranty. This glass breakage offer is not applicable to Apartment units.

Claims:

Brothers will repair, replace, or reinstall the defective parts free of charge to you, the warranty holder, for as long as you own your home. These include defective screens and failed insulated glass units since they are part of the window.

Limitations:

As stated above, this warranty is for window and door products manufactured and installed by Brothers. This warranty may not be assigned or transferred and does not include failure due to misuse, alterations to the window, the use of customer applied tints, films or paint finishes, acts of nature including fire, flood or earthquake. Brothers Home Improvement, Inc. is not liable for natural weathering of exterior finishes or for corrosion in highly corrosive environments.

Other Warranty Considerations:

Brothers Home Improvement, Inc. is not liable for incidental or consequential damage. Some states do not allow limitations on, or the exclusion of, incidental or consequential damages, so the above exclusions may not apply to you.

This Limited Warranty gives specific legal rights. There may be other rights which may vary from state to state. This warranty is for window and door products manufactured AND installed by Brothers Home Improvement Inc.
